National Travel Packet

March 18, 2018

Congratulations on having a student medal at the 2018 SkillsUSA New Hampshire State Leadership and Skills Conference! It is because of dedicated advisors like you that your student excelled and now has the opportunity to represent your school and the State of New Hampshire at the National Leadership and Skills Conference. This is an incredible honor and opportunity for your student and one that the SkillsUSA New Hampshire Board of Directors, State Officer Team and State Staff hopes you and your student will take full advantage of.

If your student has earned a gold medal, we await your confirmation that your student will attend the 54th SkillsUSA National Leadership and Skills Championships in Louisville, KY June 25th, 2018 to June 30th, 2018. Please let Josh Brunk, State Director, know if you can or cannot attend no later than April 1st, 2018. If their medal was a silver or bronze, be prepared. It has been our experience over the past years that the gold medalist has been unable to attend Nationals for a host of legitimate reasons. In this event, we will ask the silver or bronze medalist to represent the State of New Hampshire. Stay in touch with the state director and watch your email to determine the status of those who finished ahead of your student in their competition. Even if your student does not have the opportunity to represent the State of New Hampshire at Nationals, you and your students can still attend the National Conference as observers, delegates or on the National Courtesy Corps.

REGISTRATION: Registration for the SkillsUSA New Hampshire Delegation to the 2018 National Leadership and Skills Championships will be handled through the office of the State Director. Advisors are responsible to ensure that all registration materials and appropriate fees are due **no later than** April 16, 2018. Send registration materials to:

Joshua Brunk, State Director
SkillsUSA New Hampshire
P.O Box 10634
Swanzey, NH 03446

NLSC Registration Procedures for Contestants, Advisors, and Observers

ALL state associations are required to use the online registration for the NLSC. To register online, go to the national web site at <http://www.skillsusa-register.org> . Advisors should be the one to do the registering of the contestants. You should already have a username and password. If not, you have to create a login and then the system will send you a password within 20 minutes. Each participant can fill out the NLSC-1 form online. The national headquarters, as well as state associations will be able to access each completed form online.

Please make copies of the NLSC-1 form to have each person attending the conference fill out before you start to enter the online registrations.

NLSC Registration Procedures for Parents and Children

In order for family members to attend all the events and activities, along with staying at our hotel, they will need to register. They can attend the national conference without registering, but they will not be allowed to stay at our hotel, attend our state sponsored meals, go to opening ceremonies, attend Skills University Sessions, go to Kentucky Kingdom Amusement Park, or ride the buses. You will register them as an observer.

NLCS Registration, Personal and Liability Release Form

The NLSC-1 form is required of all persons attending the NLSC, not just students. If a student is under 18, a parent or guardian must check the box! All registration forms must be printed and kept with the head advisor of your schools delegation.

NLSC Name Badge

You will be issued a nametag upon arrival in Louisville. This will be your ticket to the activities listed above. If you lose your name tag, there will be a \$10 replacement fee. Spectators and the general public may attend the competitions at no cost. Passes for the Awards Program are available for a small fee. (Usually \$10) Parents, spouses, and children of members participating in the conference must be registered to stay at the same hotel.

Contest Uniform

Each and every contest has a specific uniform that the contestant needs to wear. The contestant will lose up to 50 points off their score for not following the uniform/dress code. Since the difference between first and second place is typically less than a point, this would take your contestant of the medal standing completely. We encourage you to shop early. You can order the uniform online at www.skillsusastore.org You can also purchase the uniform while at National conference, but be aware amounts are limited. You will see on the next page the uniforms needed for each contest.
