Everything you needed to know about implementing the CEP can be found here:

www.skillsusa.org/programs/chapter-excellence-program/.

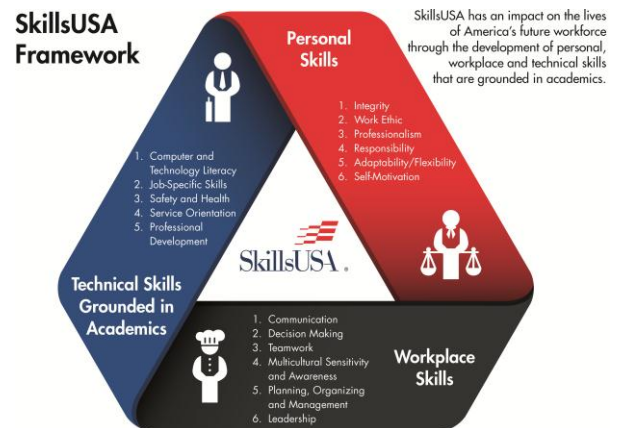

Deadline for submitting the Level 1 CEP application is January 29, 2016.

Deadline for final submission of CEP is March 1, 2016.

→ Plan Now for a Successful SkillsUSA Week

Make plans now for your chapter to celebrate SkillsUSA Week Feb. 7-13. It provides state associations, advisors and student members the opportunity to promote SkillsUSA programs and activities at the local and state levels.

During SkillsUSA Week, members can also help raise awareness of our organization. This can be accomplished through field trips to local businesses, an open house for parents or industry partners, a visit to local community organizations to make a brief presentation about SkillsUSA, or providing news releases and public service announcements to local media outlets for possible distribution. Involvement in activities such as these brings positive recognition to SkillsUSA as well as to local schools and their students. But even more so, these opportunities provide the perfect time to embed the essential elements of the SkillsUSA Framework. Students learn the essential elements of the framework best when they are actively applying them to the SkillsUSA program of work.

Conducting chapter activities during SkillsUSA Week also helps to satisfy Chapter of Excellence Level 2 Indicators. For more information and ideas on celebrating SkillsUSA Week, check out: www.skillsusa.org/events-training/skillsusa-week/ideas-for-celebrating/.
