The Best of the Week in SkillsUSA New Hampshire

→ **Membership deadline approaching!**

The membership deadline to become a SkillsUSA NH state and national member is fast approaching. The deadline for submissions of students and advisors is Feb. 1, 2016. In order to compete in the State Leadership and Skills Contests in March you need to be registered as a SkillsUSA member and your advisor needs to be registered as well.

→ **SkillsUSA NH has been awarded a CTSO grant from the NH DOE**

SkillsUSA NH has been awarded a CTSO grant from the NH DOE that will be used to help defray conference costs for NH participants. The grant was recently awarded. The money will be used to help lower the cost of state conference for this year.

→ **SkillsUSA Week is Right Around the Corner**

Are you ready to show your Champion Pride?

The SkillsUSA Store has created a SkillsUSA Week T-shirt that will be available for purchase soon. The design is almost complete and will be released next week with additional details and pricing. This creative, unique and one-of-a-kind design captures the energy and excitement of this dedicated week.

Feb. 7 will be here before you know it. Be prepared to show your skills with the SkillsUSA Week T-shirt.

→ **New Year, New Opportunities to Shine! Chapter Excellence Program**

SkillsUSA's Chapter Excellence Program (CEP) recognizes and honors chapters for their achievements. Ensure that your chapter is receiving the recognition it deserves by completing the Chapter of Excellence application. This new program provides lots of opportunities for chapters to receive recognition. Learn how to get started here:

- **CEP Teacher's Guide** — www.skillsusa.org/wp-content/uploads/2015/02/CEP-Teachers-Guide.pdf
- **CEP Webinar** — www.skillsusa.org/events-training/webinars/ (second, third and fourth webinar from the top of the page)

This is a tentative document. I am still waiting to hear back from a few contest chairs. Any changes to location or dates of contests will be communicated through our website. www.skillsusanh.org

→ **Membership**

Please be reminded that all competitors and advisors must be dues paying members of SkillsUSA.

All memberships must be done online through the National Registration site. Registration deadline is

February 1, 2016.

→ **Conference Registration**

The Conference Registration will open on February 1, 2016 and close on March 1, 2016.

The school is responsible for any person registered through the conference registration system, even if they do not show up day of contest, the school is responsible for paying for that person.

All invoices must be paid in full before the day of the contest.

→ **Conference Payments**

All payments for all contests must be **paid in full** prior to conference date. Payment must be in check form sent to:

SkillsUSA NH

→ **Entry Limits**

Due to space and cost there are limits to how many students or teams can enter each contest. If you have multiple kids who wish to compete, think about Job Skills Demo or other leadership contests.

This is a great way to involve more students in the state level contests.

→ **Leadership Contest**

Leadership Contests have unlimited entry slots. We would like to get this area of SkillsUSA more involved within the classrooms.

→ **All competitors MUST have a one page typed resume**

All competitors in every contest must have a one page typed resume to hand in on day of competition. There is up to a 10 point deduction for not having the resume. There will be a dedicated email this year for those send in contests to send their resume to.

→ **How do I get that invoice**

To get the invoice for payment please follow these instructions.

- Log into the registration site from our website, www.skillsusanh.org

- On the top bar you will see 5 tabs, (Main, Membership, Conference, Help, Logout) choose Conference
- Select Fees per program

You will get a PDF with invoices for ALL programs individually broken out. Print your page, and voila you have an invoice.
